I help B2B tech scale-ups build a structured and predictable revenue engine — from GTM strategy through to hands-on execution.

Senior GTM and Sales leader with 20+ years of experience in B2B SaaS, including a decade at SAP across EMEA. Based in Barcelona and active within the Southern European startup and VC ecosystem, I combine commercial leadership, international scale-up expertise, and early-stage investment. Currently operating as a Fractional VP Sales, Business Angel, and mentor to founders on GTM strategy, revenue growth, and scale-up readiness.
